

Hedonis sünnib hedonism maitsete, hetkede ja külalislahkuse kooskõlast. Meie joogikaart on loodud toetama peakokk Marko Lumera põhjamaist kööki ning avama iga roa juures uusi maitse- ja tekstuurikihte — just nagu Raimond Valgre muusikas, kus elegants, kergus ja sügavus sulanduvad harmooniliseks tervikuks.

Oleme siia valinud joogid, mis peegeldavad oma päritolu iseloomu ja tootjate isikupära, pöörates erilist tähelepanu Eesti väiketootjatele ning alkoholivabadele valikutele.

Kaart on üles ehitatud maitsete ja tunnetuse järgi, et selle avastamine oleks intuiitiivne ja nauditav. See peegeldab meie kodu Pärnut, hooajalisust ning meie arusaama külalislahkusest — kogemusena, mis jääb meelde ka pärast viimast klaasi.

**Our selection is designed to support Chef Marko Lumera's Nordic cuisine, revealing layers of flavour, texture and balance with each dish.**

**We focus on wines and drinks that express their origin and the character of their makers, alongside a thoughtful non-alcoholic selection and a strong connection to Estonian producers.**

**This is a list shaped by taste and intuition — reflecting Pärnu, seasonality and our way of hospitality, as an experience that lingers beyond the final glass.**
